The modern, minimalist furnished apartment at 5th, the top floor of the building. Oriented to the courtyard and has a unique view of this part of town. Excellent location with all amenities close at hand to provide an easy and comfortable life. Good transport links to all parts of the city. The cozy living room is the continent with a small dining room and a spacious kitchen with access to a lovely balcony. There are two bedrooms. Bigger is equipped with a double bed and a wardrobe, as well as working part, while the smaller room is empty and can be equipped according to the needs. The apartment is equipped with modern furniture, simple lines, air-conditioned, and there are plenty of storage space. An excellent property for those who love living in the center of events.
