Excellent apartment, located in the city center, in the vicinity of Atelje 212. Location with well organized public transport, as well as abundance of commercial content. The apartment is housed on the last, sixth floor of an older, but renovated building with an elevator. Building has a refurbished facade, security and video surveillance. The apartment is fully renovated, including the electric and water installations, new velux roof windows, while bathroom has new modern sanitary ware. Spacious, open concept living room with dining area and a kitchen. Sleeping block has two bedrooms, which have slanted ceiling, one is equipped with a double bed while the other has two single beds. Functional property abundant with natural light, modernly furnished and suitable for a couple or a family.
