Both business and residential complex in New Belgrade placed in frequent boulevard and immediate vicinity of Palace of Serbia and Danube bank. This zone is rich in variety of commercial content. This address is well known and good choice for business activities. Space spreads over three levels. First level is an open space with kitchen and toilet. Upper level is open space as well which could be divided in several offices if needed. Bathroom with bathtub is also on this level. Loft has an octagon as basis with slanted ceiling. It is still under construction and it could be arranged to be finished according with future tenant needs. Suitable for business activities.
