Comfortably equipped apartment, placed in very center of city. It is busy street behind Parliament building, only few minutes away from Terazije tunnel, leading to New Belgrade area, or Kneza Miloša street which enable highway input in only 6-7 minutes of driving. Neighbourhood includes several local shops, cafes, restaurants and other amenities. Apartment is placed on second floor, and with orientation toward yard, also insulated from noise. Anteroom lead to spacious living and dining area, divided from kitchen with large bar-table. Two bedrooms are on the opposite part of apartment, and they share renovated bathroom with hydromassage shower. Furniture is cozy, partly classic, with wooden details. Ambience suitable for singles and foreigners which prefer central location with secured peace.
