The house is situated in a quiet, dead end street in Banjica neighborhood. Nearby are a supermarket, school, kindergarden and public transport stop, and the location itself provides everything necessary for comfortable living. The house is great, built in the 70s, but completely renovated. It spreads over four levels and has a nice courtyard with cascading landscaped greenery. On the ground floor is a garage, utility room and boiler room. High ground floor is reserved for a living part of which consists of a living room, restroom, spacious kitchen with dining area and access to the garden. Three bedrooms are on the first floor, and a bathroom with shower. The attic is organized as a separate apartment and can be customized according to needs. The interior of the house is of excellent quality. Furnished by a combination of new and preserved furniture. Provided the alarm and video surveillance. There is a system for watering gardens maintained by a qualified person at an extra charge. The house is perfect for both residential as well as business activity.
