The new building and a quiet street near Kalenic market. Great location that is filled with all the amenities necessary for a comfortable life - lots of shops, restaurants, cafes, banks, and a green market. Also nearby are stop points of many public transport lines. The building is newly built, with a garage in the basement. The flat is atypical. It features an open living room and kitchen with bar, master bedroom with its own bathroom and a very large wardrobe, a small bedroom and bathroom. The interior is of modern design, with attractive details and lots of recessed lighting that gives a warm and interesting atmosphere. Furniture is new, well integrated into the whole ambience. Air-conditioned, has Internet connection. Suitable for young people.
