Peaceful and nice location, close to park and several international schools, as well as number of embassies and diplomatic representations. Low intensity of traffic in the street, while location is well connected to Bulevar Vojvode Putnika and Topcidarska zvezda. Plot and house are facing the city and upper floors give panoramic view onto city center and river confluence. House is newer and it occupies four levels, with a nice garden behind it and closed swimming pool. Simple and modern design with listed advantages, make this house perfect for comfortable life. Windows from floor to ceiling in combination with white walls give effect of great illumination. Ground floor of the house has dominant living space of 100 m², with fireplace and exit to terrace and yard, large kitchen and space for dining table, one work room and anteroom. First floor has one master bedroom with own bathroom, three bedrooms, two bathrooms and two large terraces, one of which has view onto yard and second one toward street. Second floor has one large bedroom, bathroom and large roof terrace. In basement is one room with bathroom, large closed swimming pool with space for gym, one more bathroom, technical rooms and garage which can fit three cars. House is suitable for larger families but also for office purposes.
