Business space is located in a new building positioned in a busy area in Žarkovo. Along the street pass several public transport lines. Also, near is the shopping center and many shops of various goods. The building is well built, well maintained. The space is located on the second floor and has a functional structure. It consists of three offices and the largest occupies 40 m² and has access to the restroom and kitchenette. The other two offices are separated by a hallway and are oriented towards a quiet street. In the hallway there is a bathroom with tub. All rooms share the same terrace. The space is very bright, air-conditioned, has Internet connection. The kitchen is equipped. It is suitable for office activities.
