The apartment is situated in Vracar area, in near vicinity of Bulevar kralja Aleksandra. It is housed on the first floor of a well maintained building with an elevator and video surveillance. The apartment has a highly functional structure and room layout, it is quite spacious, comfortable and abundant with daylight. It consists of an entrance hallway which leads into the living room, connected to a larger dining area which is a couple steps above the living area level. Living room is additionally equipped with a mini library and a piano. There are four bedrooms at disposal, one equipped with a double bed, two children's rooms and one which can serve as a study room or a fitness room. Kitchen is fully equipped, while it also has a pantry from where one can enter a laundry room. The apartment has two bathrooms, one with a bathtub one with a shower cabin and a lavatory. It exits on two terraces, has newer furniture, closets, while floors are a combination of marble tiles and parquet. Suitable for a family.
