Excellent apartment in newly built building in Vracar in area called Crveni krst (Red cross). In near vicinity of park, green market, numerous coffee shops and restaurants. Great number of busy streets in the neighborhood allow easy access to highway, as well as to the city center. Residential zone ideal for life of a modern man. Building has elegant exterior and garage space is at disposal in underground level. Supermarket occupies the ground floor level of the building so each level is one floor higher. Building has an attractive entrance hallway tiled with marble tiles. The apartment is housed on the third floor. It consists of a living room in connection with dining room and a kitchen. This area has an exit to a terrace which occupies the around 4 m². Sleeping block consists of two bedrooms and a bathroom with a shower cabin. Larger room has access to its own bathroom with a shower cabin and an exit to a smaller terrace. The apartment is fully equipped with new, modern furniture. High quality equipment provides comfort.
