Warehouse placed in an office building, in vicinity of numerous lines of public transportation. It is located in close surroundings of New Belgrade municipality and has easy access to the highway. The building itself is indrawn in comparison to the street and has a nicely arranged green surface in front of it. It has a separate entrance from the street and consists of an open space, with a few carrying poles, which do not disturb the functionality of space. Warehouse spreads over the surface of the building. It has standard ceiling height and can be adapted according to need.
