Excellent apartment located in Dedinje in near vicinity of Topcider park and Milosev konak. Well positioned, with good connection to New Belgrade through Bridge over Ada. Away from the main roads, surrounded by greenery this location represents an oasis of peace. This renovated apartment is housed in a prewar villa and has authentic classical style. High, decorated ceilings, decorations on the walls, stone fireplace, double doors, large window surfaces are just some of the elements picturing prewar Belgrade. The apartment is housed on the ground floor of this villa and has an exit to a part of the backyard used mostly by the tenants of this space. Entrance into the apartment is a spacious hallway shared with another apartment. Central room is a 40 m² parlor with a kitchen, followed by a smaller separated bedroom. From there one can enter a smaller hallway leading into another bedroom, a bathroom with a shower cabin and a wardrobe. Interior is furnished with nice, styled furniture pieces. There is a parking spot in the yard available with this space.
