Excellent apartment located in Dedinje in near vicinity of Topcider park and Milosev konak. Well positioned, with good connection to New Belgrade through Bridge over Ada. Away from the main roads, surrounded by greenery this location represents an oasis of peace. This renovated apartment is housed in a prewar villa and has authentic classical style. High, decorated ceilings, decorations on the walls, stone fireplace, double doors, large window surfaces are just some of the elements picturing prewar Belgrade. The apartment occupies the entire floor and consists of two wholes mutually connected by a hallway. Right half comprises of a spacious salon, with a kitchen, one bedroom with utility room, a new bathroom with a shower cabin and one more, currently partially separated bedroom, which can be fully separated if needed. Left half comprises of a salon with a fireplace, following a spacious kitchen, a bedroom with it's own bathroom and a guest restroom. The apartment has two entrances one from the building and one directly from the yard. Yard spreads throughout the length of the apartment and it is positioned so that only this apartment's tenants can use it. Furniture is in correspondence with the classically styled interior. The apartment can also be empty depending on the need, also suitable for a quiet business activity. There are three parking spots available for the tenant.
