Apartment placed on an excellent location in near vicinity of Kosutnjak forest. Small, quiet street rich in greenery. Older, well maintained building, with a nice facade and yard. Peaceful surroundings, which is a rarity within the inner city zone. Renovated apartment, using high quality materials. Modern interior, with dominant bright, pastel tones. It is functionally well organized and consists of a living room connected to a kitchen and two separate bedrooms. Spacious kitchen is equipped with necessary elements but doesn't have appliances. From the living room area one can exit a terrace, with a beautiful view toward the backyard. The apartment has a warm, comfortable feel which is, in combination with it's surroundings, an excellent choice for a residential apartment or even an office space. In building's basement there is one garage space at disposal for the tenant.
