An apartment placed at excellent location close to the Kalenic green market. It occupies the whole floor of an old, pre war building. It consists of four large rooms and one small, but they could be reorganized into more functional and larger space. It also has two bathrooms with bathtubs, toilet and spacious, empty kitchen which needs to be renovated. Three terraces, one large and two small ones are at disposal. Parquet and carpentry are in good condition. The apartment has characteristic high ceilings, large rooms and two entrances. In the ground floor there is a garage spot reserved for a tenant. Suitable for business activities.
