Fantastic apartment, located in an elite, residential area, on the sunny slope of the Senjak. From this location, over Ada bridge one can reach New Belgrade in only few minutes, and the city center is at ten minutes driving distance. The neighbourhood is abundant with greenery. There are several international schools in the district, as well as several embassies and diplomatic branches. Beautiful building with stone facade, with a decorated 200m² front yard, which is available to all tenants. The interior of the building is well maintained, while in the basement there are an excellent storage room and garage where one place is for rent together with the apartment. In addition to the garage, there is also a parking place on open parking lot with a ramp. The apartment is equipped with 3 m high ceilings which give additional space to rooms, 1st class, high gloss parquet and excellent carpentry. It is spacious and illuminated, with a functional layout of sleeping area and the rest of the apartment. The apartment has three bedrooms that share two bathrooms. A beautiful modern kitchen with a kitchen island is open towards the dining room, and with a living room decorated with a fireplace make an extremely comfortable space of about 50 m². The space is threeside-oriented and surrounded with a terrace of about 25 m² overlooking the hippodrome and Kosutnjak. The equipment in the apartment is modern and simple, but combination of attractive design and bold elements are sublimed in a unique ambience, suitable for people who prefer a modern lifestyle.
