Excellent, new house of high quality construction. Located in Zvezdara forest, in a quiet neighborhood, surrounded by greenery. Within a few minute walking distance from a busy street with public transportation stops. House occupies three levels. Ground floor features a separated one bedroom apartment, with a beautiful glassed in terrace which is facing a small courtyard. This apartment has entrance from the garage, while it has a private separated entrance from the side of the house. Garage can hold two vehicles. High ground floor features an open space - living room connected to dining area and a kitchen. It has access to a spacious terrace which is facing the courtyard. First floor features three bedrooms, one of which is master, with a bathroom and a wardrobe, while other two rooms share one bathroom. This floor has a laundry room, as well as one more spacious terrace, facing Zvezdara forest. Spacious property, with big rooms, functional layout. A small, very well maintained courtyard. Partially equipped but can be empty. Has video surveillance with 6 cameras. Ideal choice, away from city hustle and bustle, while only within five minute driving distance from the very center of the city. Suitable for residential or business premises.
