House is located in peaceful street on Zvezdara, in close vicinity to Zvezdarska forest, and several public transport lines, which enables you to get to the center in approximately 15 minutes. Semi-detached house with own yard, and lot of greenery. Garage of 50 m² is in basement level, and it has enough space for one car and storage. House occupies two levels. Ground floor has spacious living room with dining area, separated kitchen and terrace viewing onto yard. Upstairs are four bedrooms, bathroom with bathtub and bidet, and terrace. Furniture is of classic lines and some styled pieces, with lot of details. Special comfort in living room gives fireplace, parenthesis into partition wall, and with facade brick original colour. Rooms are spacious too and two of them have double beds. Quite convenient for families with children.
