Excellent apartment situated in a smaller, newer complex at 10 minutes walking distance from Republic Square. Quiet part of the street with small traffic intensity. The complex has a beautifully landscaped inner courtyard with a children's playground as well as access ramps for strollers to the courtyard and to the entrance to the building. Physical security is located at the entrance itself. The apartment is housed on the first floor and is two-side oriented. It has a spacious living room of an unusual shape that has access to a large terrace. The living room is interconnected with a kitchen, which is fully equipped, and is open to the entrance area. The apartment has two bedrooms and a very nice bathroom with a shower cabin. A very interesting and unusual interior is completed with high ceilings and luxurious chandeliers. Unique space suitable for comfortable life or business activity.
