Nice apartment in a house in Vozdovac area. Closeness of Autokomanda and highway exit allows easy connection to the city. Quiet street in vicinity of busy boulevards with numerous public transportation stops. The apartment consists of three separate offices, connected between themselves and a hallway further leading to two more offices and a bathroom with a shower cabin. One of the offices is connected to a kitchenette and has an exit to a terrace. It is fully renovated, bright and has air-conditioning. There are parking spaces for three vehicles available with the apartment, as well as a garage. The apartment is suitable for various business activities.
