A nice apartment with characteristic high ceilings on excellent location in the city center. It is housed on the second floor of pre war building with an elevator. Building entrance is placed in the passage. The apartment consists of entrance hallway which leads to central room which is interconnected with all rooms, and as well leads to a terrace overlooking the building's inner yard. From this area two rooms of similar size are accessible also mutually connected. Rooms are oriented opposite from the street with a view on small buildings and houses. Open view provides plenty of natural light in the space. Bathroom is renovated with a bathtub and two entrances. Third, spacious room is redesigned kitchen, while kitchenette is placed in pantry accessible only from that room. The apartment is equipped with nice parquet, plaster elements and halogen lighting. Suitable for quiet business activity.
