Excellent prewar apartment housed in a building with a renovated facade. Building is located in Senjak, in the vicinity of the Official Gazette building. Well connected to the rest of the city as well as highway inclusion. Commercial city zone. The apartment is housed on the second floor of a walk- up building. It has four rooms. From the entrance hallway one can access three rooms, two of which are interconnected with sliding doors between them. Fourth room is smaller and could be accessed from the kitchen, which is very spacious, fully equipped with appliances and has a larger dining table. Terrace is facing the street.

Highly suitable for business activities.
