This comfortable and nicely arranged apartment is located in very center of city, in walking distance from pedestrian and shopping zone and Kalemegdan. It is peaceful street, isolated from city bustle and location is excellent for life of everyone who wants to be in center of city happenings. Apartment is in post war building, with maintained entrance hall and lift. Apartment itself is upgrade from '90s, so the layout presents good usage of space. Central living room continues into nicely kitchen with dining area, and all together it creates open space with plenty light. Terrace has 40 m² and it is great plus for this property, since it presents oasis for relaxation, especially on warm weather. Bedrooms are in second part of apartment and they are furnished with closets, so there is enough storage space. Master bedroom looks toward greenery of yard, and it is abundant with light. Apartment is suitable for younger people, it has modern furnishing and interesting decoration details. Building is only few minutes away from public garage, where one can rent parking spot.
