Nice apartment in a semi detached house in a peaceful street in residential city zone of Voždovac area. Location is very close to busy street Bulevar oslobođenja and numerous lines of public transportation which provide good connection with city center. The house has same entrance with two more semi detached houses, organized as business spaces. It consists of three levels and basement level in the street level with separate garage for two vehicles and two parking spaces. Above the garage is large terrace of 60m² which has access from the living room on the ground floor, as well as anteroom and toilet. From this part stairs lead to the next level which consists of two bedrooms and bathroom with shower cabin. Last level - the attic has two spacious bedrooms, one of them has exit to the terrace overlooking the town, and large bathroom with jacuzzi bathtub and shower cabin. The apartment is without furniture, with functional layout, suitable for business activities.
