An excellent apartment with characteristic high ceilings in small, pre war building with several apartments. Nice location in quiet area close to Takovska street. The apartment is housed on the first floor, it is bright, comfortable and completely renovated. It consists of small anteroom, and room connected to all other, leading further to the kitchen and a terrace on the left, and central room to the right. On the opposite sides of the apartment are two bedrooms, both with bathroom of its own. Nice apartment with functional layout, modern lighting, and installed heating devices using electric power, as well as air-conditioner. Kitchen will be installed according the tenants needs. This elegant space is suitable both for comfortable life or business activities, but with low frequency of clients. It is possible to rent a garage space in the neighbour building.
