Located in very center of city is this excellent renovated apartment. Building is maintained and positioned next to Dom omladine (Youth center). Close vicinity of pedestrian zone of Knez Mihailova street, and surrounding with plenty commercial content. Large frequency of pedestrians and traffic, since this street present real traffic knot that links different parts of center. Apartment is nicely decorated and modern. It has large entrance foyer with closet, spacious living room with dining table, furnished kitchen with ample storage space and appliances and comfortable bedroom with double bed and really large closet. Bathroom is equipped with shower. Furniture in this rental is new and modern and interior is full of daylight. It is provided with internet connection and ideal for single people or couples.
