An apartment on an excellent location in the heart of the city. It is situated in the quiet part of the street, close to public garage and at a few minutes driving distance from pedestrian zone Knez Mihailova street. The apartment is housed on the third floor of older building with an elevator, and oriented mainly towards the street. It consists of large entrance part where is placed dining room and nice, fully equipped kitchen. This central area leads to all rooms and bathroom. Living room and bedroom are large, mutually interconnected with double door and both have an exit to a terraces. Third room is small, large enough for a double bed and planned to be a guest room. Bathroom is renovated with a bathtub. The apartment is furnished in modern manner with well preserved furnishings, suitable for modern man - single person or a couple.
