Great apartment in a small building in Vozdovac with nicely done facade. Quiet street, parallel to the Boulevard, near Marakana and Autokomanda. In the neighborhood are predominantly family homes. The building is three-storey and has three units. The ground floor is a garage with direct access from the street. The apartment is located on the second floor of the building and three-oriented. There are three balconies. Sleeping area faces the courtyard. Anteroom is located in the central part of the apartment and is very spacious, with a granite floor in the green. The living room is on the whole with dining room and covers an area of 40 m². It is very comfortable, with a fireplace and buttresses and access to a small, arched balcony to the street. The kitchen is separate, fully equipped with cabinets and appliances. From the anteroom you enter the corridor leading to 4 bedrooms and a bathroom with tub. Master bedroom is equipped with a private bathroom. The other three bedrooms are smaller in size, with closets. They share one bathroom with a shower. The apartment is without furniture, only the kitchen is equipped. The walls are painted white coffee color with petroleum green accents. Comfortable space, with inverter air conditioning in every room and central heating that uses oil. Suitable for family life or business activity. One parking space is at disposal in front of the building.
