Business premises located within 6 km distance from the city center, in direction of Visnjicka banja. Well connected to city center, through several public transportation buses. Space is situated on the first floor of a smaller, one-storey office building. It consists of six offices of different sizes, largest of which occupies 50 m². There is a kitchenette at disposal, as well as restrooms for men and women. It is mostly furnished with good office furniture. Heating is conducted through electricity power, while the space is air-conditioned as well. In front of the building there is a parking lot for several vehicles.
