Business premises located in New Belgrade near The Parking service and Sava jetty. Office space is housed in private facility with independant entrance and it consists of central hallway which leads into all the offices. The space is divided into 10 offices of various sizes, one fully equipped kitchen, and two toilets. Offices will be painted and laminate or carpets will be put according to the future tenants needs. There is a possibility of moving or completely removing some of the partition walls, so one could create bigger or smaller offices. It is located in quiet and peacefull surroundings and it is suitable for companies who need bigger office space.
