The living room is placed on the ground floor interconnected with a dining area and a kitchen. The kitchen is fully equipped and separated with a kitchen counter. This part has an exit to a small backyard and a covered parking space for two vehicles. Toilet is placed on the lower level as well, while a staircase leads to upper level, to the sleeping block. Sleeping block has three bedrooms, a bathroom with shower and a large, glassed-in terrace. All bedrooms share an open terrace and, while through the glassed-in section one can exit to a small garden near the second entrance to the apartment. The interior is elegant, in bright shades. The pieces of classical, fine design furniture make the interior highly comfortable. The apartment is fully equipped, but it may be partly empty as well.
