Excellent business premise on two levels. Two sides oriented. Entry is directly from the street. Each level has equipped tea kitchen and two toilettes. There is a nice glass showcase on the stairway. All offices are spacious, and one of them can be divided into three smaller ones. Everything is new. There are central air-condition, four telephone lines with possibility for more, aluminum carpentry, safety window bars, security and fire prevention systems. The public garage is nearby, and there are at least two parking places in the inner courtyard.
