Comfortable apartment with characteristic high ceilings is situated in the heart of Vracar, between Slavija square and Bulevar kralja Aleksandra. The location is well connected with other parts of the city and placed within area rich of commercial contents. The apartment is housed on the last floor of pre war well maintained building with an elevator. It consists of entrance area, and dining room which is connected with all rooms of the apartment. On one side of dining room is bedroom which is partially on the last floor and has an exit to a terrace overlooking the street, while on the other side is living room with another terrace overlooking the building's yard. In the center of the apartment is kitchen with pantry and long hallway which leads to bedroom. Two completely renovated bathrooms are in this part of the apartment, one of which is with bathtub other with shower cabin. The whole space is comfortable, two-side oriented, with functional layout and with armored door. Suitable both for family life or business activity.
