Apartment in a family house in a quiet street in a residential area of Senjak. Close to a green market and the commercial area, as well as the public transport station, just a 5-minute walking distance. Pre war house, with a renovated facade. The apartment is functional and spacious situated on the first floor, it is abundant with natural light and renovated. It features of a large living room as an open space, which is two side oriented, with a fireplace and a terrace. Downstairs is a kitchen with a small terrace, and opposite is a bathroom with a shower and a pantry. From the living room, circular wrought iron stairs lead to the gallery, which can be divided into a smaller room under a slope with access to a terrace with a beautiful view. From the living room, there is access to a separate hallway, which leads to two large bedrooms, with a bathroom and a storage room in the middle. One parking space is available in the street-level garage. Excellent apartment for family or couple, in a good location.
