Apartment housed on the fifth floor of a prewar building in near vicinity of Clinical centre. Busy street, which allows fast and easy link to the city center, as well as to the highway, which can be reached in only a few minute drive. There are numerous embassies and foreign branches in the neighborhood. Building is well maintained. The apartment has a very functional structure, it is abundant with light, quiet and has three side orientation. It consists of a spacious living room, dining area with an exit to a terrace, a separated, fully equipped kitchen and a sleeping block. There are four bedrooms in the sleeping block, while the apartment has a bathroom with a bathtub and a restroom. Suitable for a larger family.
