Beautiful apartment, situated in an attractive location on Dorcol, within a few minute walking distance from the pedestrian zone of Knez Mihailova Street and near the park Kalemegdan. A very desirable position for anyone who wants to be in the vicinity of city events. The apartment is housed on the second floor of a beautifully maintained building of newer construction, with an elevator. It consists of a central corridor leading to all rooms. On one side there is a living room, a kitchen equipped with the necessary elements and a smaller room that can be a study room. The other part of the apartment consists of a comfortable bedroom and a bathroom with a shower cabin and a washing machine. Nice, new interior, with beautiful lighting, suitable for both residential and office space.
