Apartment is housed in older, but well preserved building, in very center of city. It is at walking distance to pedestrian zone of Knez Mihailova street, as well as to Kalemegdan park, green oasis. Since it is top central zone, there are lot of different stores in close surrounding, many restaurants, cultural monuments and public buildings. Line of public transport for trams goes nearby, so it provides good link to other part of city. Apartment has two sides exposure, and living room and one bedroom are overlooking the street, while other bedrooms are viewing onto inner yard, where is parking spot reserved for this apartment. Living room has double door that separates it from one bedroom, which could be also approached from hallway. Kitchen is fully furnished and with standing out black and white tiles. Furniture in flat is nice combination of modern pieces with classic lines. Large terrace (18 m²) present great escape from city noise, and ideal location for relaxation after busy day. Suitable for comfortable family life.
