Highly comfortable and pleasant apartment, housed in very nice, pre-war building, in heart of Vracar. One of most desirable location in town, not far from Kalenic green market, and within commercial surrounding with different caffes, restaurants and shops. Buildings entrance hall is nicely arranged and maintained, while apartment is housed on top floor and organized as duplex. It is renovated several years ago and equipped with classic furniture, but it can be empty and used as office space too. From entrance door one will step into good-size dining area, which has one door opening to separate, fully equipped kitchen, and other door leading to small bedroom with own bathroom. Decorated staircase leads to upper floor where is open space used as double saloon, bright and cozy. There are doors to three bedrooms, one of which has own large bathroom with bathtub. Apartment has quite unusually room arrangement, but well usage of space, which makes it good option for life of larger family.
