Partially renovated apartment, located across the street from the YU Business Center, in an older building, which is well maintained. It consists of a spacious living room, followed by dining area, as well as a partially separated, fully equipped kitchen. This part, which represents the central space, is rich in daylight, thanks to larger window surfaces, and has a nice view. Hallway is further leading to sleeping block, which consists of two bedrooms equipped with double beds and closets. One of the rooms has an exit to a medium size terrace. Furnishings are newer, of classical design, in brighter color shades, which additionally freshens the space. Interior is enriched with fireplace and plaster works. The apartment has one bathroom with a bathtub and one toilet.
