Very good apartment with characteristic high ceilings, in pre war building with nice, marble entrance. It is placed in the one way street close to commercial Vracar zone. The location is rich with stores with variety offer. Tasmajdan park, The Faculty of law and Metropol hotel are at only five minutes walking distance. Numerous public transport lines connect this area with other parts of Belgrade. The apartment is two-side oriented, completely renovated, and with functional layout. Living room is partially separated from dining room and kitchen. Kitchen is fully equipped and next to it is a small pantry. Two rooms are at disposal, one with king size bed and the other has couch and an exit to a terrace overlooking the inner, green yard. Bathroom is with bathtub. The furniture is combination of several styles which are tastefully incorporated in the interior. This cosy apartment is suitable for a family or a couple.
