Completely redecorated apartment with characteristic high ceilings, placed on an excellent location, in near vicinity of Yugoslav drama theatre, but also close to numerous contents necessary for everyday life, such as banks and supermarkets. It is located in a busy street within very city center, while there is also great access to the freeway. The apartment is housed on the second floor of an older, but well maintained apartment building and it has two entrances. It consists of a spacious entrance hallway, which leads into rooms in the apartment. There are four larger and one smaller room at disposal and all of them are very bright. One of the rooms has an exit to a terrace. Rooms are interconnected, which fits into the classic form of a galery apartment. Kitchen is completely separate and fully equipped with new appliances. There is one bathroom, equipped with a shower cabin at disposal. Floors are laid with high quality parquet, while the computer network is provided as well. The apartment is suitable both for office space and for residence.
