The apartment is situated on an exquisite location on the top of Banovo brdo, next to Košutnjak forest with beautiful view toward Ada ciganlija and New Belgrade. Divine green surrounding is ideal place for rest. Numerous sports activities are available in the neighbourhood. This place is around five km away from city center, and near the traffic loop for Ada bridge, which easily connects this part with north of the city. The building consists of two semi detached parts with several apartments in each of them and mutual yard. Each apartment is spacious, functional, excellently organized and occupies one level. This apartment is housed on the last, second floor and its ceiling is slightly tilted. The central part of the apartment is large living room, which occupies about 50m², with exit to the terrace, which occupies about 30 m². Fully equipped kitchen is separated from the living room with the counter. Living room leads to the sleeping area which consists of three bedrooms, each with terrace and spacious bathroom with bathtub and bidet. Interior is modern, comfortable and elegant. In front of the building is one parking spot at disposal.
