A storage space in the basement level of the residential building in one of the most frequent streets in the city. It is situated close to the Pionir sports center and Pancevo bridge. Ceiling height is around 3 m, and it has a little natural light. Cargo elevator and ribbon that provides constant easier unloading of goods are at disposal. One can enter the space from the shop upstairs, but if it is necessary another entrance could be made. The space is heated using electrical power. Also toilets are at disposal. Suitable for storage of variety of goods.
