Comfortable apartment, located in a quiet part of Bezanijska kosa, within a few minute driving distance from the highway inclusion. Busy streets of this neighborhood allow good connection to the city center, as well as to other parts of the city. The apartment is housed on the second floor of a building complex from the 90's. It consists of an entrance hallway with built in closets, spacious living room (30 m²), which has an exit to a terrace (10 m²), dining area and a kitchen which is partially separated by a kitchen bar. There is also a small pantry at disposal. Sleeping block has three bedrooms, a bathroom with a Jacuzzi bathtub and a restroom. Pleasant and spacious interior, equipped with well maintained furnishings of classical design. Property ideal for families.
