Excellent apartment with characteristic high ceilings in very city center, and in close vicinity of National assembly, Tasmajdan park and Palilula green market. It is housed on the second floor of excellently maintained pre war building. The apartment is spacious and has functional layout. It contains of living room, three bedrooms, one small study room, while dining room is placed in the anteroom. Next to anteroom is kitchen and long hallway which leads to bathroom with jacuzzi bathtub and a toilet. From this area one can enter a bathroom with hydromassage shower cabin and bedroom interconnected with another kitchen. The apartment is in excellent state with nice windows and doors. All rooms are mutually interconnected, making this apartment ideal for family life.
