Nice house at the bottom of the new part of Dedinje. It is located on a beautiful plot of 600 m². It consists of two levels and a small building in the yard. The main building consists of two levels. The upper level has three connected rooms, a kitchen and a bathroom. It covers about 70m². This part is accessed via stairs and a nice porch. It also has an exit to the back where is paved area that can be used for sitting. The lower level consists of two semi-separate rooms, has a kitchenette and a small bathroom. The lower level is accessed directly from the yard, and in front of the entrance is a large porch under an canopy. At the bottom of the yard is a separate building, which is organized as a studio with a small kitchen and separate bathroom. The studio also has a small gallery. The house is a little withdrawn from the street. In front of the house there is a beautiful, spacious green area. It is possible to park several cars in the yard. Suitable for living as well as for business activities.

These three units can be rented separately.
