An excellent house in beautiful, quiet Zvezdara street. Nice neighbourhood with small frequency of traffic, while in near vicinity is large boulevard with plenty of commercial content and several stations of public transport. The house is self standing on the 400 m² plot which is partially paved and the other part is covered with grass. Open swimming pool is in this part of the yard as well, while in the corner of the yard built barbeque is placed. The house spreads over four levels, and consists of large living room interconnected with dining room, five bedrooms, kitchen and four bathrooms. Basement level is large open space of 50 m² with laundry room and exit to a garage for four vehicles. Ground level consists of living room with dining room, separate kitchen, one bedroom and bathroom. Dining room and kitchen have an exit to a nicely maintained yard. Three bedrooms, two bathrooms and terrace are on the first floor. The last level is organized as open space with a bathroom and a terrace.

Excellent location both for comfortable life or business activity.
