Excellent apartment located in a quiet street, near the Vuk monument and the Djera green market. Good location, quite close to the city center, and also well connected with other parts of the city. Residential area with plenty of green areas between buildings. The building is beautiful, well maintained and has an elevator. The apartment is located on the fifth floor. It has a very nicely decorated living room with dining area and terrace. Separated, fully equipped kitchen, with elements and high quality appliances. In the sleeping block there are two bedrooms equipped with double beds, night tables and closets. The bathroom has a bathtub, and there is also a guest toilet. The apartment is comfortable, modernly decorated with beautiful pieces of furniture. Bright interior and tastefully chosen details make it the right choice for life.
