The space is located in New Belgrade in block 21. It is in high ground floor of an apartment building. There is everything one needs nearby, such as grocery stores, markets as well as banks. This location allows excellent connection with the freeway, and the rest of the city as well. The space itself has separate entrance and it is completely redecorated. The space has halogenic lighting and PVC carpentry. It consists of admittance area, fully equipped kitchenette, toilet and one larger open space of 28 m<sup>2</sup>. It is equipped with air-conditioning. Great for companies with lower number of employees, who are in need of nice, functional space, on great location.
