Attractive apartment housed on the third floor of an older building, very close to the city center. It is located in a quiet street, at only a few minute walking distance from Faculty of mechanical engineering and Vukov spomenik (Vuk monument). Close vicinity of two major traffic lines provides easy connection to the rest of the city either by personal or public transportation. The apartment is in loft level and it has a lot of slants supported by wooden beams. It consists of an entrance hallway, a spacious living room and dining area with a modernly equipped kitchen, a big bathroom which has a jacuzzi bathtub and a shower cabin, from where one can access a bedroom. Second part of the apartment has another bedroom. From the living room a staircase leads to a rooftop terrace, which occupies around 20 m<sup>2</sup>. The apartment is fully equipped with furniture which fits the interior. It has a many rooftop windows, which allow a lot of daylight. Suitable for one person or couples.
